WOE IS ME!

Lament Of The Batonless Director

"Wee is me!" words often expressed, but never so sorrowfully as when they are expressed by a batonless director. But, yes, that is the sad truth. Mr. B. and his baton have come to the parting of the ways, and what is a director without a baton? The Journalism class hereby extends its heartfelt sympathy to Mr. Benson on his grievous loss.

However, there is a simple solution to this pathetic lament...

You see Martin "Leopold" Bacha has inherited the S. H. S. band's baton in the title of "student director."

Music Students Will Attend Workshop

Mr. Benson and twenty-seven members of the music department will attend a workshop at the Black Hills Teachers College, on December 1 and 2.

Great in Victory and Defeat

The Sturgis Scoopers failed to come up to advanced expectations on the football field last fall, but it was evident that football as a sport was far from losing interest. The annual pre-season football camp was attended by a record number of boys and during the season, Coach Buell Woodle had more participating in his football program than in any previous year. The "A" Squad opened their season against the Rapid City Cobblers, who proved to be more than the Scoopers could handle. The Scoopers steadily improved as the season went on and almost upset the Belle Broncs before closing the season with a trouncing defeat over the Custer Wildcats.

All American Honorable Mention

Carroll Hardy, all star Scooper half-back, made history last fall for himself and Sturgis High School. The newspaper writers, representing every state in the Union, chose Carroll as one of the outstanding football players of America and elected him to a position on the All-American High School football team. Carroll practically burned up every football field in the Black Hills Conference with his outstanding running. He scored a total of 74 points in 7 games. To one of our fine athletes, we wish all the luck in the world in his further athletic ambitions.

The newly organized Dramatics Club presented three one-act plays on March 1, 1951. Miss Phelps, club sponsor, said that dramatics should be offered for those who are interested in that field.

In the lower right hand corner is depicted "Idlings of the King" directed by Harry Lloyd. In the upper left hand corner is depicted "Afterwards" directed by Dolores Curry. Herman Walker, in the lower left hand corner was director of the third one-act play, "The Tell-Tale Heart."

The Christmas Story

The Christmas Story, produced and directed by Francis Benson, has become an annual yuletide event of Sturgis. People come from far and near to see the Sturgis High School Music Department produce this impressive Christmas program.

We of S.H.S. extend our hearty thanks and appreciation to Mr. Francis Benson, for undertaking this annual project and making it such a huge success.

Since its opening performance four years ago, The Christmas Story has become an event that is long awaited throughout Sturgis. We certainly hope that it is a project of Sturgis High School that will continue and flourish in the years to come.

Boys' Nation

Bruce Lushbough was chosen as one of the two South Dakota representatives to American Legion Boys' Nation, at Washington, D.C. During his week's stay he met such famous men as Harry S. Truman, former Sec. of Defense, Louis Johnson, A. Barkley, and Justice Burton.

Politics entered into his capital visit and the 87 boys representing practically every state in the union elected their own President and Vice-president and other national officials. They functioned as a senate and saw many of the historic shrines in and around Washington, D. C.

Yours truly,

Mato Paha Staff

Thanks . . .

Little do many of the readers of our Mato Paha realize the work and co-operation that goes into one of these publications. . . not on the part of the staff, but of the people who have willingly pitched in and helped us wherever and whenever they could. It would be impossible to count the times that Jack Hoel, Dave Knapp, and Al Moeller carried flood lamps from place to place and assisted us in the darkroom or the times "Hank" cleaned after us when we pulled stakes. Earl Waterson deserves a vote of thanks for looking up the "vital information" we were lacking.

It was largely through the outstanding co-operation of the businessmen that our yearbook was made possible. The spirit with which they contribute to and support our school is the spirit which makes our community what it is. We appreciate Mr. Urton's efforts to keep us in our photographic needs.

Thanks to the students who posed for pictures not once or twice, but sometimes three times when, because of some catastrophe caused by the darkroom crew, the first shots didn't turn out as we'd planned.

The final thanks goes to you of Sturgis High School who cooperated in more than one way. Thanks for topping the subscription sales of previous years, and for being so patient with us.

We hope you enjoy the 1951 Mato Paha.

Dolores Voorhees, Editor
Roger Reeder, Sponsor
